

To Whom It May Concern,

I am writing on behalf of **MediaTech Institute** to confirm that the individual submitting this request is a currently enrolled student in our **online program**.

While our online students do not receive a physical photo ID card, they are fully recognized students of MediaTech Institute. Each student is assigned an official MediaTech email address (firstname.lastname@mediatech.edu) and has access to the same academic resources and coursework as our on-campus students.

We are committed to ensuring that all of our students, including those enrolled online, are aware of professional tools and opportunities such as the **Spitfire Audio educational discount**. This program is a valuable resource for our students as they train for careers in music, film, and media production.

Please accept this letter in lieu of a student ID card as verification of enrollment. If you require any additional documentation or details, do not hesitate to contact me directly.

Sincerely,

Wes Martin

Managing Director
